PROFESSIONAL STAFF RESEARCH AND PUBLISHING

Ownership of Materials

1. Charlottesville City Schools shall maintain ownership and copyright for any materials produced by Charlottesville City Schools' employees when the work is produced on school time or uses any school division human, facility, equipment or supervisory resources.
2. Any employee who creates material using his/her own equipment, during personal time and utilizes no division resources shall maintain the ownership and copyright of that material.
3. An employee may request a waiver of copyright and ownership for any material that may be the property of the School Board by providing the request to the Superintendent with an explanation of the request for the waiver.
4. The Superintendent shall review the waiver request and may present the request to the School Board for approval.
5. If the waiver request is approved, Charlottesville City Schools' students and staff shall not be charged for the use of the materials.
